

Braille Bibles International

Making a positive difference in the lives of visually impaired people by providing them access to God's Holy Word.

Braille Bibles International is a non-profit organization that provides Bibles to blind people in Braille, Large Print and Audio formats. Some of these Bibles are provided at no cost while others are provided at low cost. Braille Bibles are available worldwide; however Large Print and Audio Bibles are only available to blind individuals in the United States. We require certification of blindness and reserve the right to limit the quantity and frequency of our services. Please complete the form on the back and mail, fax or email it to us if you would like a Bible.

Audio Bibles

The Bible on a digital cartridge is available for the Digital talking book players that are provided by The Library of Congress National Library Service for the Blind (www.loc.gov/nls). We currently offer a King James Version, English Standard Version and the New Living Translation.

Pocket Bibles are also available. This small hand held device has both an internal speaker and a headphone jack. Its navigation buttons allow you to move forwards and backwards by both book and chapter. The Pocket Bibles come with an AC Adaptor. We offer 3 models of the Pocket Bible: a single version player, a dual version player and a player that can have up to 4 versions, FM Radio, Memo Recorder and speed control. For information about the multi-version players please call.
