We, at Braille Bibles International, believe that the Bible is the Holy Word of God, given by God to man as a revelation of Himself to us. We believe that His Word contains the power of Salvation through Jesus Christ (Romans 1:16). It is our desire to provide the Bible in accessible formats to visually impaired persons living throughout the world. Braille Bibles International was organized as a Missouri nonprofit organization in December of 1996. The Internal Revenue Service has recognized BBI as being a tax-exempt 501 (c) (3) organization. The purposes of Braille Bibles International are as follows:

-  To reach and teach the visually impaired through God's Holy Word.
-  To provide Braille Bibles and related religious and educational materials to the visually impaired.
-  To create and disseminate educational materials to assist the visually impaired in using and studying the Bible.
-  To assist other charitable and educational organizations in the conduct of similar activities.

I, Craig A. Leeds, President of Braille Bibles International hereby certify that this financial statement accurately reflects the finances of the organization for the fiscal year ending on December 31, 1999. If you have any questions, please call me at (800)522-4253.
