The year 2003 was a great year of ministry. We were able to send out more Braille volumes than ever before. We distributed a total of 5,676 volumes of Braille. You may notice that our Administrative Expenses were higher than normal. This is largely due to the high cost of having a complete audit. The board of directors felt that it was time and our income from 2002 merited having an audit. Overall it was an exciting year and we are looking forward to carrying out the plan that God has for us.
