The year 2005 was another great year of ministry. We were able to send out more Braille volumes than ever before. We distributed a total of 9,285 volumes of Braille to over 820 blind men, women and children. In 2005 we incorporated the ministries of Christian Services for the Blind, who had to close operations after many years of great service to the blind. As a result, we began producing and distributing the Decision Magazine in Braille. This has been a great addition to our services and is being primarily funded by the Billy Graham Evangelistic Association.

I, Craig A. Leeds, President of Braille Bibles International hereby certify that this financial statement accurately reflects the finances of the organization for the fiscal year ending on December 31, 2005. If you have any questions, please call me at (800)522-4253.
